Dear MIA Accreditation staff,

Slabworks of Montana and Dave Scott have been supplying, fabricating and installing the granite slabs in all the homes we build here in the Gallatin Valley in Montana for the last 6 years exclusively.

We have been very pleased with the care and quality of product that Slabworks of Montana has provided to us and our home buyers.

After dozens and dozens of successful granite slab installs in our projects, We do not hesitate to recommend Slabworks of Montana to all of our customers.

Respectfully,
